CNH KIWIN'S | Treasurer Report Article

Host your fundraiser & keep all relevant information. It is best to fill out the TRA right after an event so it is still fresh in your memory.

Fill out the TRA and the subsequent Article Page. You can decorate and format the article however you would like; I have provided an optional template. Articles from successful and innovative fundraisers will be featured in my Treasurer Talk newsletter!

Email it to your Lieutenant Governor with the file name in the following format:

Division, School, Month TRA

TRA's are due at 11:59PM on the 28th of every EVEN month. I will host a divisional treasurer Skype call going over your TRA the following ODD month.
