

## KIWIN'S Key Leader Scholarship Application

Dear Applicant,

I am so excited to announce our 2<sup>nd</sup> annual Spring KIWIN'S Key Leader Scholarship. Key Leader is a life-changing experience where students develop their leadership skills and confidence. It is a 3-day, 2-night retreat at certified campgrounds, which allows students to immerse themselves in a weekend full of personal growth. This camp has already grown thousands of participants into leaders that will one day change the world.

The recipient will receive a full scholarship for camp during the Spring. All applicants must currently be a junior (11), sophomore (10), or freshman (09) in high school. This scholarship is open to any paid member of KIWIN'S. You do not have to be an officer in a KIWIN'S club; however, you must be a committed and passionate member.

\*The recipient is required to record their time at Key Leader. Please send the unedited videos to Technology Chair, Kevin Son. If you have any questions regarding this aspect, please feel free to contact me!

There will be a two-step process in reviewing applications: First, the Key Leader Ambassador will review each application carefully and will choose the finalists. Second, they will consult the District Governor, who will choose the recipient. This process will ensure that the most passionate, deserving, and dedicated individual will receive the scholarship.

Please take your time in filling out the application. Feel free to write as much or as little as you want; just keep in mind, we are looking for the most passionate individuals.

Congratulations for taking the first step towards becoming the next great leader. I am looking forward to reading your applications.

Yours in Service,

Meghan Hernandez  
2015-2016 Key Leader Ambassador
